

Armenian Optical Cable Specialist

AI Overview

OVIO (GNC-ALFA CJSC) is one of Armenia's leading optical cable and telecommunications providers, offering extensive fiber-optic infrastructure and high-speed internet services. OVIO (GNC-ALFA CJSC) Founded in 2007, OVIO has become a major player in Armenia's telecommunications sector, providing broadband internet, digital television, online cinema, fixed telephony, and cloud solutions since 2012 (OVIO). The company's network is based on fiber-optic infrastructure with underground deployment, connecting Armenia internationally through Georgia and Iran, and featuring three independent communication lines to Russia and Europe for reliable service. OVIO's network spans over 3,000 km, covers 92% of Armenian cities, and supports internet speeds up to 200 Gbps. Key cities served include Yerevan, Gyumri, Vanadzor, Kapan, and Dilijan, among others. In 2024, OVIO launched Armenia's largest data center in Abovyan, Kotayk Province. Corporate clients include banks, government agencies, and international organizations. Other Optical Cable Providers Datacom specializes in structured cabling systems and fiber optic installations, offering turnkey solutions for LAN and SCS networks, including SC, ST, LC, FC, and HT-RJ terminations. They provide design, installation, testing, and maintenance services, with over 22,000 miles of cable installed across Armenia. Datacom also installs welded steel cable trays, grounding systems, and raised floor subsystems to optimize cable management and network reliability. SP Network LLC supplies premium fiber optic and network cables for indoor and outdoor applications, combining affordability with high-quality connectivity solutions for telecom and data networks in Armenia. Summary OVIO represents the primary Armenian optical cable company with a nationwide fiber-optic network, high-speed internet, and advanced data center capabilities. Complementary companies like Datacom and SP Network provide installation, structured cabling, and supply of optical cables, supporting bot...
