

Cost of cable tray supports in Morocco

AI Overview

Cable tray prices in Morocco typically range from \$2 to \$25 per meter, depending on material, type, and size. Price Range and Factors The cost of cable trays in Morocco varies widely based on material, type, size, and surface finish. Common materials include:

- Galvanized steel: Durable and moderately priced, widely used for commercial and industrial installations.
- Stainless steel: Corrosion-resistant but more expensive, suitable for harsh environments.
- Aluminum: Lightweight and rust-proof, slightly higher cost than steel.
- Plastic/PVC: Budget-friendly, ideal for light loads and indoor use.

Tray types also affect pricing:

- Ladder trays: Stronger, hold heavier cables, higher cost.
- Wire mesh trays: Cheaper, suitable for lightweight cabling and flexible layouts.
- Perforated trays: Moderate cost, good for ventilation and cable management.

Additional cost factors include coating (HDG, powder-coated, pre-galvanized), installation labor, and shipping, especially for bulk orders.

Example Pricing A wire mesh cable tray like the Kable Kontrol 10-foot tray (approx. 3 meters) is available online in Morocco, constructed from zinc-plated steel, suitable for network and fiber optic installations. Bulk packs of 30 trays are offered at competitive prices, though exact per-meter pricing depends on supplier and order quantity.

Suppliers in Morocco You can request quotes from local suppliers and distributors:

- Sourcia: Offers wire mesh trays, steel ladders, PVC conduits, and more. Contact suppliers directly for catalogs and pricing.

- Local manufacturers: Brilltech Engineers and other Moroccan suppliers provide cable trays for commercial and industrial projects.

Cost-Saving Tips

- Bulk orders: Ordering in larger quantities can reduce per-meter cost.
- Material choice: For non-corrosive indoor environments, wire mesh or perforated trays are cheaper than ladder or stainless steel trays.
- Supplier comparison: Request multiple quotes to find competitive pricing and shipping options.
