

# Dominic Fiber Optic Splice Box Pricing Standard

## AI Overview

Fiber optic splice boxes in the Dominican Republic range from approximately \$17.83 for basic units to higher prices for fully equipped models. Retail Pricing in the Dominican Republic A 1U fiber optic splice box equipped with 6x LC DX OM2 ports, splice cassette, dyed pigtailed, and couplings is available for purchase online through platforms like Desertcart, which ships to Santo Domingo, Santiago, Puerto Plata, and other cities in the Dominican Republic . The price includes applicable taxes and fees, though exact costs may vary depending on stock availability and shipping options. Wholesale and Bulk Pricing For bulk purchases, fiber optic splice boxes are available from verified suppliers on platforms like Alibaba. Prices start at around \$17.83 per unit for boxes ranging from 24 to 144 cores, making bulk orders more cost-effective for larger installations . These prices are typically for factory-direct units and may not include shipping or import duties. Product Variations Mini splice boxes: Smaller units for 4 adaptors/splices, suitable for compact installations . 12-port splice termination boxes: Designed for FTTH and P2P networks, supporting up to 12-core splices with IP65-rated protection for indoor and outdoor use . 1U equipped boxes: Include splice trays, pigtailed, and couplings for immediate deployment . Considerations Prices vary based on capacity, type, and included accessories. Shipping and delivery times may affect the final cost. For professional installations, consider IP-rated enclosures for outdoor use and pre-equipped splice trays for easier fiber management. In summary, basic fiber optic splice boxes start around \$17.83, while fully equipped retail models in the Dominican Republic can cost more depending on features and shipping .
