

How much does a ladder-type cable tray cost in Singapore

More durable and robust

The outer layer is made of environmentally friendly PVC, which is soft and elastic. It can be stretched without damage, so you can use it with confidence.

AI Overview

Ladder-type cable tray prices in Singapore vary widely depending on material, size, load capacity, and supplier, typically ranging from SGD 50 to SGD 300 per meter for standard industrial applications.

Factors Affecting Price

- Material:** Ladder trays are available in stainless steel (SS304, SS316, SS316L), hot-dipped galvanized steel, aluminum, epoxy-coated steel, and mild steel. Stainless steel and epoxy-coated trays are more expensive due to corrosion resistance and durability, while mild steel and aluminum are generally more affordable.
- Load Capacity and Duty Rating:** Prices increase with heavier duty ratings. Light-duty trays (supporting smaller cable bundles) are cheaper, while medium and heavy-duty trays designed for high-volume or long-span installations cost more.
- Dimensions:** Tray width, depth, and rung spacing affect cost. Wider or deeper trays that support more cables are priced higher.
- Compliance and Standards:** Trays meeting IEC 61537, NEMA VE-1, or Singapore SS249 standards may carry a premium due to certified quality and safety.
- Accessories and Covers:** Optional covers, bends, tees, and mounting hardware can add to the total cost.

Supplier Options in Singapore

- NEXE:** Offers a range of cable trays and ladder systems with specifications available online; quotes are provided upon request.
- RS Components Singapore:** Supplies industrial cable trays, including wire mesh, steel, and ladder types, with next-day delivery options.
- Lim Kim Hai Electric:** Specializes in cable ladder systems for high-volume or heavy cabling, suitable for long spans.
- Ferrotech:** Provides ladder, perforated, FRP, and wire mesh trays for efficient cable management.
- AE Hub:** Offers metallic cable trays and ladders in various materials and duty ratings, compliant with international standards.
