

How much does a long-span cable tray cost in Uzbekistan

AI Overview

The price of long-span cable trays in Uzbekistan varies depending on material, size, and order volume, with suppliers offering direct manufacturer pricing and wholesale options.

Overview Long-span cable trays are widely used in industrial, commercial, and infrastructure projects to organize and protect electrical cables. In Uzbekistan, manufacturers such as Mirankul Group, IEK, and suppliers like Bizkim and Brilltech Engineers provide a range of metal cable trays, including perforated, solid, and galvanized steel options. Prices are influenced by:

- Tray width and length (e.g., 50 mm, 80 mm, or custom long-span sizes)
- Metal thickness and type (galvanized steel, stainless steel, or fiberglass)
- Order volume (bulk orders often receive discounts)
- Project-specific requirements (load capacity, environmental conditions, indoor/outdoor use)

Typical Supplier Information Mirankul Group manufactures metal cable trays in Uzbekistan and supplies them across Tashkent and other regions. They emphasize durability, precise geometry, and compliance with construction standards. Pricing is customized based on project specifications and can be obtained by contacting their sales team directly.

IEK (ESCA Solid Cable Trays) offers solid rolled trays made from cold-rolled steel, galvanized according to GOST standards. These trays are suitable for indoor and outdoor use, and prices depend on tray dimensions and accessories like lids and connectors.

Bizkim and Brilltech Engineers provide a variety of cable trays with flexible payment and delivery terms, catering to both industrial and commercial projects.

How to Obtain Current Prices Since prices fluctuate based on material, size, and order quantity, the most reliable way to get accurate pricing is to:

- Contact suppliers directly via their websites or phone numbers.
- Specify tray dimensions, material, and quantity to receive a tailored quote...
