

Ht Waterproof Plastic Distribution Box Manufacturer

Overview

HT Series Waterproof Distribution Box HUAJIA Electrical Group Co., founded in 1995, with more than 35000M2 manufacturing space, 650 employees, it becomes one of the leading manufacturer of industrial electric product in China. 2) The inside of the box is equipped with guide rails and grounding terminals. 3) There are reserved holes on the side of the box for easy cable entry. Each enclosure delivers dependable IP65-IP68 sealing for outdoor and industrial use, with options for plastic waterproof distribution box housings and DIN rail waterproof electrical distribution box configurations to suit diverse wiring requirements. It is applicable for special waterproof, dustproof and corrosion-proof locations. It features an IP65 protection rating, providing reliable protection against dust, dirt, rain, splashing water, and other environmental factors. Applying fireproof high class engineering plastics, HT series has the following merits, novel structure, handsome outline, soft color, waterproof, small bulk and light weight. Supports integration with fuse, SPD, disconnecter, or breaker for residential, commercial.
