

Middle East Fireproof Cable Tray Manufacturing Company

AI Overview

Leading Middle East manufacturers provide fire-resistant, corrosion-proof cable trays for industrial, commercial, and infrastructure projects. Key Manufacturers

1. West Port Cable Tray (UAE) West Port Cable Tray offers a wide range of cable management solutions, including cable trays, ladders, trunking, and wire mesh trays suitable for light, medium, and heavy-duty applications. Their products are engineered for ventilation, protection, and fire safety, making them ideal for commercial and industrial projects. They also provide modular and customizable solutions for complex installations, ensuring long-term reliability and ease of maintenance.
2. Bonn Metal Construction Industries LLC (BMCI, UAE) BMCI is one of the largest cable tray manufacturers in the UAE, producing 12,000 tons per year. They specialize in cable trays, ladders, trunking, and strut channels for electrical power, signal, control, and communication cables. Their products are widely used in oil & gas, power plants, and industrial facilities, with strict adherence to quality standards and fire safety compliance. BMCI also offers tailored solutions for large-scale projects across the MENA region.
3. Al-Babtain Power & Telecommunication (UAE) Founded in 1960, Al-Babtain is a pioneer in heavy-duty cable trays and custom cable management systems. They serve energy, oil & gas, power generation, and telecommunication sectors, providing fire-resistant and durable solutions for industrial installations. Their expertise includes complex designs for high-load and high-risk environments.
4. Unigroup (UAE) Unigroup manufactures high-performance cable trays, trunking, and channel systems with advanced corrosion and fire resistance. Their products include perforated, ladder, wire mesh, and GRP/FRP cable trays, suitable for indoor and outdoor applications. GRP/FRP trays are non-conductive, lightweight, and fire-retardant.
