

Myanmar Power Distribution Box Installation Company

AI Overview

Several leading companies in Myanmar provide power distribution boxes, switchboards, and turnkey electrical solutions, including Panel Z Electric, Yaung Ni Oo Electric, IEM Myanmar, Thida Chan Myay Electrical, and Myanma Power Spectrum. Key Manufacturers and Service Providers

Panel Z Electric Co., Ltd Founded in 2018, Panel Z Electric specializes in fabricating electrical switchboards, distribution boards, control panels, HV switchgear panels, and metal enclosures. They offer turnkey solutions for factories, hotels, hospitals, and residential projects, providing engineering, assembly, testing, and professional after-sales service. Their facility spans over 6,400 sqft with advanced machinery for precision fabrication and integrated electrical solutions.

Yaung Ni Oo Electric Co., Ltd Established in 2017, Yaung Ni Oo Electric delivers end-to-end electrical power system engineering across Myanmar. They provide low- and medium-voltage distribution systems, including overhead and underground networks, tailored to urban and rural areas. Their services cover site assessment, design, material procurement, construction, testing, and commissioning, ensuring long-term reliability and compliance with safety standards.

IEM Myanmar IEM Myanmar is an international trading and engineering company offering a wide range of industrial and power distribution products. They provide design, installation, commissioning, and maintenance services for power generation and distribution systems. Their team of engineers supports site surveys, equipment selection, and ongoing maintenance, making them a one-stop solution for power, generation, drive, and control systems.

Thida Chan Myay Electrical Trading Co., Ltd This company provides engineering design, material supply, construction, testing, and commissioning for substations (11kV-230kV) and low-voltage distribution systems...
