

## Nigerian electrical distribution box manufacturer search

### AI Overview

Fembosco Engineering Limited, Reliable Electrics Limited, and Orosan Nigeria are among the leading manufacturers of electrical distribution boxes in Nigeria. Key Manufacturers

**Fembosco Engineering Limited** Fembosco Engineering is a major supplier and assembler of electrical and industrial systems in Nigeria. They provide high-quality electrical panels, distribution boards, and surface terminal shield boxes suitable for both residential and industrial applications. Established in 1995, Fembosco partners with global brands to ensure superior product quality and competitive pricing, offering solutions for cable management, transformers, and circuit protection devices.

**Reliable Electrics Limited** Reliable Electrics manufactures a range of distribution boxes including ABT SPN (Single Pole & Neutral), ABT TPN (Triple Pole & Neutral), and Schneider Electric distribution boxes. Their products are designed for safe, organized, and efficient power distribution in single-phase and three-phase systems, catering to both commercial and industrial needs.

**Orosan Nigeria** Orosan produces distribution systems suitable for circuits up to AC660V and rated currents up to 125A. Their distribution boards support modern buildings, hotels, industrial and mining enterprises. They offer both flush and surface mounting options, single and three-phase configurations, and enclosures made from galvanized steel or stainless steel with powder coating for durability.

**Additional Notable Manufacturers**

**Collective Power:** Specializes in prefabricated electrical substations, modular solutions, distribution transformers, and medium/low voltage switchgear, with project management and maintenance services.

**Energo Nigeria:** Offers comprehensive services in power generation, transmission, and distribution, including construction and maintenance of distribution lines.

**Considerations for Sourcing Whe...**
