

Om4-lc fiber distribution box

Overview

A compact distribution box for fiber optics with pre-installed multimode MPO to LC fan-out for DIN-rail mount or directly on wall. Both the lid and the adapter plate may be removed, making simple access for working in the box. For more information please contact us. IT. FO splice box, 1U, equipped, 12x LC DX, OM4 incl. splice cassette, colored pigtails, couplers eyes. When working with fiber optic cables, especially during tests or when. Although Belden makes every reasonable effort to ensure their accuracy at the time of this publication, information and specifications described here in are subject to error or omission and to change without notice, and the listing of such information and specifications does not ensure product. Tight-buffered indoor distribution cable designed for intrabuilding backbone runs. ITEM# EFNT410-001M-LCLC, EFNT410-005M-LCLC. Premium OM4 multimode patch cabling ensures optimal performance in 10/40/100G networking applications ITEM#. Splice box, design: Rail-mountable module, degree of protection: IP20, material: Metal, connection method: Splicing, cable outlet: above and below, housing size: 1, color: gray, Ethernet This product needs further products for operation.
