

Papua New Guinea CFP2PAM4

Overview

Under the theme "Transforming Food Systems for Nutrition and Resilience in Papua New Guinea", the conference will provide a platform to share research, innovations, experiences, and strategies that contribute to sustainable and nutrition-sensitive food systems in PNG. The government of Papua New Guinea (PNG) has been led by Prime Minister James Marape since 2019. Initially, his government committed to a string of social and governance reforms, increasing public control over and benefits from resource projects, as well as driving stronger economic growth. These.
