AI Overview

Exact prices for Xmapal electrical distribution boxes in Cambodia are not publicly listed online, but they can be obtained by contacting local distributors and suppliers directly. How to Find Pricing Contact Local Suppliers and Distributors Companies like Besto Exim and ATS Cambodia supply electrical distribution products and spare parts, including panels and boxes. Reaching out to them via their websites or contact forms can provide current pricing and availability (). Wholesale Market Platforms Platforms such as Go4WorldBusiness list electrical distribution box suppliers in Cambodia. You can request quotes directly from verified sellers for bulk or retail purchases (). Electrical Equipment Retailers Local electrical supply stores in Phnom Penh and other major cities often carry distribution boxes. Websites like Contact.page provide listings of suppliers where you can inquire about Xmapal products (). Additional Considerations Specifications Matter: Prices vary depending on the type (single-phase, three-phase, modular, or main distribution boards), amperage rating, and included protection devices like MCCBs or RCDs (). Bulk Orders: Ordering in bulk may reduce the unit price. Installation Services: Some suppliers, such as Soma Energy, offer installation and integrated systems, which may affect the total cost (). To get the most accurate and up-to-date price, it is recommended to contact multiple suppliers directly, provide the specifications of the Xmapal distribution box you need, and request a formal quotation.
