

Purchase Price of High Voltage Cable Trays

AI Overview

High voltage cable trays are available wholesale starting around \$5.47 per unit, with prices varying based on material, size, and customization options.

Pricing Overview High voltage cable trays can be purchased in bulk from manufacturers and distributors, with prices influenced by material type, load capacity, and environmental resistance. For example, heavy-duty wire mesh trays made from corrosion-resistant steel or 304 stainless steel typically start at \$5.47 per unit for bulk orders of 10 units or more, making them suitable for industrial applications and wholesale distribution.

Supplier Options Shanghai Qionгкаi Industry Co., Ltd. offers factory-direct high voltage cable trays at competitive wholesale prices, with options for standard or custom designs tailored for factories. Alibaba.com provides a wide selection of high voltage cable trays from multiple Chinese manufacturers, including ladders, baskets, and mesh trays, with bulk purchase options and OEM customization.

Made-in-China.com lists numerous cable tray manufacturers and wholesalers, offering volume discounts, factory-direct pricing, and customizable solutions to meet specific project requirements.

Factors Affecting Price

Material: Stainless steel, galvanized steel, or aluminum trays have different costs. Stainless steel is more expensive but offers superior corrosion resistance.

Size and Load Capacity: Larger trays or those designed for higher voltage and heavier loads cost more.

Customization: OEM or custom-designed trays for specific installations may increase the unit price.

Order Volume: Bulk purchases often reduce the per-unit cost, with discounts available for orders of 10 units or more.

Recommendations For cost-effective procurement, consider factory-direct suppliers or verified wholesale distributors, compare material and size options, and request quotes for bulk orders....
