

Recommended manufacturers of stainless steel cable trays in the Netherlands

AI Overview

Top stainless steel cable tray manufacturers in the Netherlands include CC Nederland B.V., Niedax Group (Gouda Holland B.V.), Beemster Electrical Solutions, Duelco, and Trayco. Key Manufacturers and Suppliers

CC Nederland B.V. CC Nederland offers SILTEC stainless steel cable trays made from high-quality AISI 304 stainless steel, providing excellent corrosion resistance and durability. They supply a wide range of sizes (lengths up to 3000 mm, widths 25-600 mm, heights 25-125 mm) and can produce custom dimensions. Their trays feature a rounded design for cable protection and patented locking systems for secure fastening and easy maintenance.

Niedax Group / Gouda Holland B.V. Gouda Holland B.V., part of the Niedax Group, specializes in cable support systems and has a strong presence in the Netherlands. Niedax offers a full range of steel, aluminium, PVC, and GRP cable management systems, including stainless steel options. They provide technical consulting, planning, and installation support, making them suitable for complex industrial and energy projects.

Beemster Electrical Solutions Beemster Electrical Solutions supplies stainless steel cable trays and ladders along with all related accessories. They focus on compliance with European fire safety standards (CPR/EN 50575) and the Dutch NEN 8012 standard. Beemster can assist in selecting the appropriate materials, clamps, bends, and riser conduits for both industrial and commercial installations.

Duelco Duelco distributes stainless steel cable trays for industrial applications, including heavy-duty installations. They also supply products from Niedax, ensuring a wide range of accessories and flexibility for complex cable management systems. Duelco is suitable for large-scale industrial projects requiring robust and durable solutions.
