

Sales price of 4-core optical fiber terminal box

AI Overview

The wholesale price of a 4-core optical fiber terminal box typically ranges from around US\$1.95 to several dollars per unit, depending on quantity, material, and supplier. Pricing Overview Low-end sample price: Some suppliers offer samples at US\$1.95 per piece, with prices decreasing for bulk orders .Factory or wholesale pricing: Purchasing directly from manufacturers in China can provide competitive rates, often lower than retail, especially for orders in larger quantities .Alibaba listings: Multiple suppliers offer 4-core optical fiber terminal boxes with varying prices depending on features, materials (PC+ABS, silica glass), and certifications .Product Features Affecting PriceMaterial: Boxes made from PC+ABS or cold-rolled steel with electrostatic spraying are common, providing durability, waterproofing, and dust-proofing .Protection level: Many boxes meet IP65 standards, suitable for indoor and outdoor installations .Functionality: Includes fiber splicing, splitting, distribution, and patch cord management. Some models allow wall-mounted or pole-mounted installation .Certifications: CE, ISO, RoHS, CPR, and ANATEL certifications can influence pricing and ensure compliance with international standards .Purchasing TipsBulk orders: Prices drop significantly with higher quantities; suppliers often provide FOB or CIF quotes for large shipments .Supplier selection: Compare multiple manufacturers to ensure consistent pricing, quality, and lead times .Customization: Some suppliers allow logo printing or custom designs, which may slightly increase unit cost . In summary, for a 4-core optical fiber terminal box, expect wholesale prices starting around US\$1.95 per unit, with costs decreasing for larger orders and depending on material, protection level, and supplier certifications .
