

Spanish Level 3 Distribution Box Brand Manufacturer

AI Overview

Leading Spanish manufacturers of Level 3 electrical distribution boxes include IDE Electric, Safybox, Delvalle Box, and Pinazo, all offering high-quality, standards-compliant enclosures. Key Manufacturers IDE Electric produces distribution boxes and enclosures made from high-durability, halogen-free plastics. Their products comply with REBT 2002 standards and are available for currents from 10 to 125 Amperes and voltages from 24 to 500 Volts, with IP44, IP54, and IP67 protection ratings. IDE Electric focuses on reliable, durable solutions suitable for residential and industrial installations. Safybox (Uriarte Group) specializes in fiberglass reinforced polyester (FRP) enclosures. Their products are highly durable, corrosion-resistant, and suitable for harsh environments. Safybox offers customized solutions for electrical, photovoltaic, railway, telecommunications, water, and gas sectors. The company has factories in Spain, Poland, and Portugal, and their enclosures meet international certifications. Delvalle Box manufactures high-resistance electrical enclosures for demanding industrial environments. They provide fully customized cabinets, integrating all necessary components, and offer consulting and engineering services to ensure compliance with project-specific requirements. Delvalle emphasizes durability, safety, and reliability, with over 50 years of experience in the European market. Pinazo produces tailor-made electrical distribution boxes in accordance with ITC and REBT standards. Their product range includes single-phase and three-phase enclosures, both direct and indirect supply types, designed to meet the specific needs of each installation.

Considerations for Choosing a Manufacturer

Compliance: Ensure the distribution box meets Spanish REBT and ITC standards.

Material: Options include halogen-free plastics or fiberglass reinforced polyester for durability and cor...
