

Zambia Metal Cable Tray Price Quote

AI Overview

Metal cable trays in Zambia range from approximately \$0.89 to \$1.61 per meter, depending on material, type, and supplier. Price Overview The Zambian market for metal cable trays is influenced by global steel and zinc prices, shipping costs, and local demand from sectors like mining, construction, and data centers. Typical price ranges include: Industrial Energy-Saving Fireproof Galvanized Stainless Steel trays: around \$1.61 per meter, suitable for small projects with a minimum order of 1 meter. Open Mesh Galvanized Anti-Corrosion Metal Wiring Racks: approximately \$0.89 per square meter, ideal for bulk infrastructure projects. Zinc-Aluminum-Magnesium Perforated Cable Trays: starting at \$1.01 per meter, designed for long-term durability. Material and Type Considerations Galvanized Steel: Common, cost-effective, corrosion-resistant for general use. Stainless Steel: Higher durability, suitable for harsh environments, slightly higher cost. Fiberglass: Lightweight, non-conductive, used in specialized applications. Perforated vs Solid Trays: Perforated trays improve airflow and cooling, reducing cable overheating. Supplier Options in Zambia Brilltech Engineers Pvt. Ltd.: Offers galvanized steel, stainless steel, and fiberglass trays with installation support and free quotes. Micro Sheet Crafts: Provides customized cable trays with modular designs and competitive pricing. Cable House: Supplies durable, high-quality trays with international shipping experience and tailored solutions. ExportHub Suppliers: Wide selection of wire cable tray metals for various project needs. Additional Pricing Factors Customization: Bespoke sizes, coatings, or perforation patterns can increase costs. Logistics: Shipping and inland transport in Zambia add to the final price. Bulk Orders: Larger orders often reduce per-meter costs. Compliance and Certification: UL or CE-certified trays may carry a premium but ensure safety and regulatory compliance. For an accurate quote, it is recommended to contact suppliers directly, specifying tray type, material, dimensions, and quantity.
